

Neighbors Driving Neighbors (NDN) has reopened our transportation services. If you need a ride to get a vaccine, our immunized drivers can take you there safely. If you are already fully vaccinated, we can take you to medical appointments, to the grocery store or pharmacy, or on other errands. Please give us a call at (207)860-0677. We appreciate a 5-day notice.

We also are continuing to provide grocery and pharmacy pick-up and delivery. If you would like us to pick up a pre-paid order for you, please give us a couple of days' notice to do so, if possible. We minimally need 24-hour notice.

Here's how the delivery service works:

If you want groceries, go online to <https://www.hannaford.com/hannaford-to-go> or to <https://www.walmart.com/grocery/>, find your local store, and shop online for the items that you want. Once you have completed your order, it will ask for or provide a pick-up time range. This is where you can ask for a pick-up time of two days from the time you place your order. You will pay for your order as you check out online. Once you have placed your order, call NDN at (207)860-0677 and let us know the time to pick up your order and bring it to your doorstep.

If you need pharmacy pick-up from Hannaford or Walmart, ask this of your pharmacist when you place your order. If you use another pharmacy, we can pick up an order for you as long as you have paid for it ahead of time with a credit card. Once again, remember to call us with details to request a pick-up with plenty of notice.
